

# How is Omega Different?

#### Omega centers provide assessments.

Students receive an assessment at the beginning, middle, and at the end of their program to validate academic growth. We administer the Woodcock Johnson IV - the most highly-regarded industry's method individual assessment. of In addition. Omega administers MyStudyStyle<sup>®</sup>, learning style assessment.

# Omega provides consistency.

Omega students work with the same tutor each week. This level of consistency allows our tutors to observe each student's learning style and employ specific instructional techniques to achieve lasting results.

#### Omega tutors communicate.

Our tutors send daily email updates to parents and teachers at school. Programs include a half-point conference with the tutor and a final conference to review the post assessment, program goals, and academic growth.

### Omega tutors use a system.

Omega's AIM Tutoring System® stands for Apply, Integrate, and Manage provides the instructional framework for tutors. where they can access supplemental teaching resources, Omega's OutpAce® supplemental curriculum, management tools. and communications platform.

#### Omega tutors tailor instruction.

Omega understands that each student is unique. Based on your assessment results, current study habits, grades school, learning style, and family goals, develop a customized program SO student benefits from our 3:1 learning environment.

#### Omega supports local schools.

We are a true educational advocate and community partner. Omega sponsors teacher breakfasts, PTSA events, school sports teams, reading programs, math & STEM programs, and school festivals.

# Omega tutors are certified.

Omega hires only certified teachers for grades K-8. Our tutors are also AIM Tutoring System® certified through handbook, video, and peer-to-peer training.

# Omega centers are accredited.

Omega centers are accredited through AdvancED in every state. Omega Learning® is the country's only tutoring franchise system to have achieved this level of national accreditation. AdvancED is the world's largest education community, engaging 32,000 public and private schools across the US and 70 other countries.
