

Kindergarten Success

Benefit from individualized instruction by certified teachers this summer and help your child become fully-prepared to begin Kindergarten and achieve success throughout Kindergarten. Omega's caring, certified teachers help young learners, ages 4-7, build vital critical-thinking skills and develop the fundamentals of reading, writing, and math. Omega's certified teachers use auditory, visual, and tactile teaching materials to optimize the learning experience. Omega's program builds the confidence and skills needed for a lifetime of success!

Summer Reading Enrichment

Help your student discover the love of reading and writing this summer with Omega Learning® Center's enrichment-based OutpAce® curriculum. Omega's certified teachers help students develop and improve the fundamentals of reading and writing. Our highly-effective summer program includes sight words, fluency, vocabulary, comprehension, grammar, language arts, and writing skills. In our Cognia® learning environment students build vital critical-thinking skills needed for Reading and math application.

Summer Math Enrichment

Math can be fun! Omega's certified teachers help students develop and improve fundamental math concepts including basic calculation skills, math facts fluency, word problems, and math reasoning. Through Omega's enrichment-based OutpAce® curriculum, students build vital critical-thinking skills needed to apply their knowledge to more advanced, multi-step math concepts. Preview fall math curriculum and get a jump start on the upcoming school year at Omega Learning® Center this summer!
